It is made little difference to the Academy who occupied the box for Windham. They opened on Lefty Thompson in the first inning, scoring four runs on a single, sacrifice, two doubles, a pass, an out and a single in the order named. Ten runs and nine hits was the record for the three innings that Thompson lasted. Enter another lefty, named Kelley.

Leading them all in the smashing bitting was First Baseman Bob Fletcher, who cracked out three timely doubles and a single. Captain Murray and hies and a single. Captain Murray and Pitcher Croker came next with three hits aplece. Murray's being a triple, a double and a single, and Croker's two doubles and a single. Catcher Lord lifted one over the dirt pile in left field that was an easy homer and good for the box of candy from the downtown business man who makes this offer, but "Lordy" fell over the third base bag and lost the candy when he was anchored at the third station. Lord also contributed a double to the seven in the game.

Fielding details were submerged in the heavy swatting, but Second Baseman Wallen of Windham deserves honorable mention for a backward running catch that cut off ope Academy hit. For the last iming the Academy put in its russet battery, Capt. Murray and McCormick, because Lord got a finger banged up in the previous infinger.

NINTH INNING VICTORY.

Village Boys Pushed Over Seven Runs in Final Frame Against Moosup.

In one of the most sensational finishes ever seen on the Taftville grounds Taftville wrenched the game away from Moosup by the score of 13 to 15 Saturday afternoon, The visitors seemed to take a liking to White's curves, and drove him from the box during the fifth inning. Semino replacing him, but the latter was unable to check the Gray's batting rally until six runs had been scored.

SMALL NET GAINS. Little Activity on Saturday and Price Changes Unimportant.

New York, May 21.—The stock marhours of trading, while price changes were of unimportant dimensions, small net gains being reported in the larger number of issues. Although no efforts were made to bring about materially higher quotations, attempts by traders to effect a lower level of values were higher quotations, attempts by traders to effect a lower level of values were met by enough support to prevent as a rule more than fractional declines, the chief weakness being shown by American Cotton Oil and Virginia Carolina Chemical, the latter moving in sympathy with the former, which was sold on the theory of failing profits as a result of the sustained strength in cotton prices. Both spet and July cotton sold at 16 cents a pound last week. While the outlook for the new crop is promising, especially as acreage has been substantially increased, failing visible supplies and the expectation of an increased demand from apinners at no remete period serve to strengthen the opinion of cotton market builts that cheap cotton is not likely to develop in the ourrent cotton year. Experts of cotton from this country since September 1, 1910, have been 7,050.000 bales against 5,461.600 bales in the same time in the preceding year, an increase of 55 per cent, with the average export price this year 14.5 cents a pound, compared with 14.1 cents a pound in the year before. It is worth noting that in the last week decided improvement has developed in the market for cotton goods. Reports received by the commercial agencies show both sentimen-BRADEFORD

The expected bout which was to come off last Thursday between Jimmy Clabby and the Chicago fighter who goes by the name of K. O. Brown did not take place, because the managers found some hitch over the date that had been arranged. Now it is stated that in all probability Knockout Brown and Jimy Clabby will meet in a fen round go at Hammond early next of the New England Intercollegiate Athletic association on Pratt field, at Amherst, Saturday. Dartmouth, by long odds the favorite, was six points behind the winner's total of 30. The Massachusetts Institute of Technology was third. Seven association records were broken, including the mile run, the 446 and 330 yard runs and the hammer hrow.

Williams' victory came entirely through the efforts of her track men and the unexpected weakness of the lastic A. C. defeated the Kickers at Baltic.
